BULLETIN #793

**REVISED CONFIDENTIAL REPORT OF PLACEMENT FORM (SL-1)
EXPORT LIST COVERAGE CODES**

The California Department of Insurance ("Department") has requested we distribute to our Membership, copies of the revised SL-1 Form and the Department's Export List. Please find attached copies of these documents, including a copy of the SLA's letter from Dennis Ward.

REVISED SL-1 FORM

The format of the SL-1 required revision due to the adoption of the Department's Export List. Please review the new form, and call us with any questions you may have. The revised SL-1 Form replaces the existing SL-1 Form effective immediately.

DEPARTMENT EXPORT LIST

You will note that each line item on the Department's Export List has been assigned a code. This Export List Code should be used in lieu of a Coverage Code when submitting an eligible Export List placement. Updated Export Lists will be sent to you by the SLA as changes occur (i.e., additions or deletions of coverages from the List). Remember: only those placements with effective dates of December 16, 1996 or later are eligible as Export List Placements.

The SLA wishes to thank the Department, especially Dennis Ward, for the opportunity to assist in this project. If you require any assistance with the new forms and codes, please contact either myself, Judy Flowers, Nadine Watso or Pat McAuley at 1-800-334-0491 (California only), or 415-434-4900. Thank you.

Please let me know if the SLA may be of further assistance regarding this matter. The SLA's toll-free number (in California) is 1-800-334-0491. Thank you..
