BULLETIN TO ALL MEMBERS:

RE: NATIONAL FIRE AND MARINE INSURANCE COMPANY

It has come to the attention of the Insurance Department that the above-captioned non-admitted company, through the U. S. Credit Protection Agency, of New Jersey, has solicited and written in California a form of Credit Insurance known as "Time Payment Insurance" or "Credit Protection Unemployment Insurance". The Department suggests that our members be asked whether or not they have been contacted by the U. S. Credit Protection Agency.

If your office has received literature from this agency would you please provide the Stamping Office with copies of such material and also tell us if you propose to place insurance on California risks in the National Fire and Marine Insurance Company.
