R.E: Los Angeles Service Trip - September

Because of the absence of Mr. Scadden since August 22 it will be impossible for anyone from the Stamping Office to make the usual service trip to Los Angeles during the coming week nor probably much earlier than the second week in October.

Mr. Scadden, after some two weeks in the hospital, underwent a successful operation for correction of a displaced spinal disk last Tuesday. He is reported to be in good condition and will probably be able to leave the hospital in a few days but will have to remain at home for some further indefinite period.

In the interim, members are requested to do all they can to minimize service demands upon the Stamping Office. Thank you.
