**BULLETIN # 1121**

**RE: Revised Export List**

Attached is the California Department of Insurance ("DOI") Bulletin No. 2007-3 regarding the Commissioner's Export List. The new list became effective February 23, 2007 and is the result of materials and testimony provided to the DOI at the November 27, 2006 Export List hearing held in San Francisco. Export List items are exempt from SL-2 (Diligent Search Report) requirements under Section 1763 because the Commissioner determined that there is not a reasonable or adequate market among admitted insurers for these insurance coverages.

The revised Export List contains four new items: 1) crane and rigging contractors' general liability, 2) short term media/entertainment non-owned contingent aircraft liability (film/entertainment productions), 3) short term media/entertainment railroad protective liability (film/entertainment productions), and 4) short term media/entertainment failure to survive coverage for \$ 5 million and over (film/entertainment productions).

Also attached is the revised SLA Export List with codes.

Sincerely,

Theodore M. Pierce,  
Executive Director

STATE OF CALIFORNIA  
DEPARTMENT OF INSURANCE

SAN FRANCISCO, CA 94105

Bulletin No. 2007- 3  
February 23, 2007

**TO: All Surplus Line Brokers, Admitted Insurers, and Other Interested Persons**

**SUBJECT: Export List**

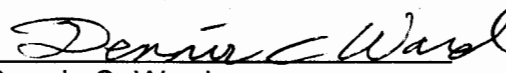

Pursuant to Insurance Code Section 1763.1, the Commissioner may by order declare eligible for placement with a nonadmitted insurer and exempt from all the requirements of Section 1763, except the filing of a confidential written report, any type of insurance coverage or risk for which he finds after a public hearing that there is not a reasonable or adequate market among admitted insurers.

This year the Department held a public hearing and comment period regarding the annual renewal of the list as required by the statute. There were four new items added to the list. The additions are as follows: 1) crane and rigging contractors' general liability, 2) short term media entertainment non-owned contingent aircraft liability (film/entertainment productions), 3) short term media/entertainment railroad protective liability (film/entertainment productions), 4) short term media/entertainment failure to survive coverage for \$5 million and over (film/entertainment productions).

The Department reminds you that risks and coverages not appearing on this list may still be exportable but subject to the full documentation of the diligent search being performed pursuant to Insurance Code Section 1763.

A public hearing will be held annually or more often at the Commissioner's discretion regarding the attached export list. The Commissioner or his designee shall notify all surplus line brokers of any removal from the list. The contact person is Carol Frair, Senior Staff Counsel, Department of Insurance, 45 Fremont, San Francisco, CA 94105, (415) 538-4408.
