BULLETIN #1291

RE: EXPORT LIST HEARING

The California Department of Insurance (CDI) is planning to hold its annual public hearing on the Export List this fall. The date has not yet been determined. The hearing will discuss the coverage and risk categories that can be exported to non-admitted insurers without a diligent search of the admitted market as described in California Insurance Code Sections 1763 and 1763.1.

When executing policies for coverage or risk categories that appear on the Export List (Sec. 1763.1), brokers are exempt from conducting a diligent search. It is important to ensure that the Export List is updated so that brokers do not have to spend time on a diligent search for admitted coverage that is not available.

If you wish to suggest an addition to the Export List, and you can demonstrate that the coverage is not available in the admitted market, SLA will testify on your behalf at the CDI hearing. Specifically, you must provide firsthand, written testimony verifying that the coverage is generally unavailable in the admitted market. In addition, please provide written declinations from admitted carriers stating that they are unwilling to underwrite policies for the specific coverage or risk. The evidence must convince CDI that the broker has surveyed the entire spectrum of California admitted carriers known for insuring the risk. Please send any Export List request and substantiating documentation to Benjamin J. McKay, SLA Executive Director.

SLA will issue another bulletin announcing the date, time and location of the hearing once it is set. Attached is a current copy of the Export List for your review.

Sincerely,

Benjamin J. McKay, J.D., M.P.A.
Executive Director
