BULLETIN TO ALL MEMBERS:

RE: INFORMATION REQUIRED WHEN PRIMARY AND EXCESS
LAYERS BOTH WRITTEN IN NON-ADMITTED INSURERS

The Stamping Office and Contact Committee at its meeting held on December 6, 1955, requested this office to advise the members that when insurance is written by non-admitted insurers in primary and excess layers, the Stamping Office must be supplied with premium breakdowns on the excess layers similar to the premium breakdowns now required on primary filings, together with verification that the rates or premium charged for each exposure for the total combined limits are not less than the rates and premiums developed by the application of rates and rating factors published in Admitted Carrier's Manuals, subject to any applicable modifications thereof required or permitted under Surplus Line Rules or Bulletins applicable thereto.
