BULLETIN TO ALL MEMBERS

RE: Monthly Bordereaux

Presently you are receiving two "runs" each month, one by certificate number and one by line. Since the latter run shows the line only by code number it was felt that possibly the run could be eliminated in the future.

The question was discussed at a meeting of the Stamping Office Committee on August 10, 1965 when it was decided to query the members as to whether or not they would find the "by line" run useful if they were provided with a description of each class now denoted by a code number.

Would you please let us know if you would like to have a copy of our code sheet and thus continue to receive the by line bordereau.
