BULLETIN TO ALL MEMBERS

RE: "Policy" Fee Imposed on All Excess  
Workmen's Compensation Certificates Filed

Today our office received a copy of the Commissioner's Ruling No. 139. The principal section applicable to Surplus Line Brokers, Exhibit "A", addition to Title 10, California Administrative Code, Chapter 5, Subchapter 2, Article 1, #2201 (2), reads as follows:

"Every document approved pursuant to Insurance Code Sections 11658 and 11659, \$20.00 for each policy, \$5.00 for each declaration page, renewal certificate, rider, endorsement, amendment, schedule, or other form attached thereto or incorporated by reference therein, or certificate evidencing excess insurance for a self-insured policyholder."

The Ruling stipulates, as to the effective date, "that the Schedule of Fees hereby adopted and as set forth in the Exhibit hereto, to be effective, as of July 1, 1965 so that fees will be required to be paid for the filing or approval of all documents subject to said regulations which were filed or approved on or after such date".

This bulletin is being issued at the direction of the Stamping Office Committee.
