Enclosed please find copies of letter dated September 14, 1956 from Mr. Thomas, Chief Assistant Insurance Commissioner, Notice of Public Hearing, and proposed corrections in the California Administrative Code regarding the administration of the Surplus Line Broker's Law.

This is being sent to you with the thought in mind that after looking these enclosures over carefully, you may have some suggestions to make regarding them.

To take final action in regard to these enclosures, an Executive Committee meeting has been called for 2:00 P. M., September 28, and it is please requested that any suggestions you might have be placed in a letter to the Stamping Office so that it may be brought to the attention of the Executive Committee at its meeting on the date above mentioned.

Yours very truly,

James H. Collins
