BULLETIN TO ALL MEMBERS:

RE: Earthquake Film Presentation:
"The City that Waits to Die"

The Association is sponsoring a small showing of this film for the Insurance Industry as follows:

Los Angeles: Ambassador Hotel
The Ambassador Ballroom
3:30 P.M., Tuesday, May 4.

San Francisco: Bank of America Center
555 California Street
A. P. Giannini Auditorium
3:30 P.M., Thursday, May 6.

Following the showing there will be a discussion with a panel of experts. This is a somewhat controversial film that was produced for the BBC and has been widely shown in England. It is now being shown to various audiences and on T.V. here.

Since we have limited space available for both showings, we shall limit admission to presentation of invitation cards.

Please advise the number desired for your office, so that we may plan accordingly, as it will be on a first come, first served basis.
