BULLETIN TO ALL MEMBERS:

RE: Questions and Answers Pamphlet

This pamphlet was originally printed for the members nearly ten years ago, designed for insertion in the Surplus Line Manual.

Enclosed is a copy with minor changes to bring it up to date.

We have found that many members are unable to locate bulletins that may be old but still applicable. In an endeavor to make these readily available, we have reduced the size and inserted them with the questions and answers.

Additional copies are available on request.
