The Surplus Line Association of California
315 Montgomery Street
San Francisco, California 94104

Attention: A. L. Lathrop, Manager

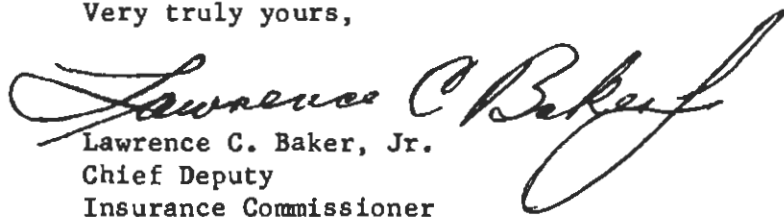

Subject: Reliance Mutual Insurance Company of America
Oklahoma City, Oklahoma

Gentlemen:

Information has been received by this Department, which, in its view, raises substantial doubt as to the advisability of placing surplus line business with the subject non-admitted insurer.

It is, therefore, the opinion of this Department that no such transactions should take place unless and until full and complete information respecting the financial stability, reputation and integrity of the subject insurer has been submitted to this Department for examination.

Very truly yours,

Lawrence C. Baker, Jr.
Chief Deputy
Insurance Commissioner
