BULLETIN TO ALL MEMBERS:

RE: Review of Alien Non-Admitted Insurers - 1976 Pages

We are now receiving the 1975 financial statements on Alien companies. Our practice has been to send pages in batches as received.

This year we desire to reprint the entire book with a new index at one time. We anticipate sending out this complete revision of contents early in October.

In the meantime, please do not hesitate to call this office for latest available information on companies you wish to review.
