Attention: Mr. Thomas A. Stadden

Gentlemen:

In order that Surplus Line brokers may be aware that an admitted insurer is willing to accept cast insurance, our company wishes to notify your association that we provide a comprehensive market for this class with limits of liability adequate to meet most if not all of any insureds' requirements.

It has come to our attention that other admitted insurers have indicated to your Association the availability of their market for this class and that members of the association have been so advised. We would appreciate it if you would advise your members of the fact that we also provide a market for cast insurance.

We wish to assure you that it is our purpose and intention to cooperate with your association in every way and to conform in all respects to the Surplus Line law.

Sincerely,
