BULLETIN TO ALL MEMBERS

RE: Review of Alien Non-Admitted Insurers - discontinuance

For years there was a need for this Association to publish the above book. The original concept of the "Review" was to be of assistance to the membership in their selection of security.

Today, due to the availability of many other publications providing financial information etc., it is redundant for us to continue publishing the "Review". Effective immediately, we will discontinue publishing the "Review". We will continue to have the financial statements on file and available for review in the Stamping Office by the membership.

In addition, other publications available are as follows:

- A. M. Bests Reports
- A. M. Bests International Reports
- Fox-Pitt, Kelton - Insurance Solvency International
- NAIC Review of Alien Insurers
- Assecuranz - Compass
- Insurance Register - U. K.
- Financial Times World Insurance Book
