BULLETIN #723

**NEW AND UPDATED LIST OF ELIGIBLE SURPLUS LINE INSURERS
("LESLI")**

The California Department of Insurance has added two non-admitted insurers to the [LESLI](#) list previously issued under SLA [Bulletin #720](#).

These two companies, and their effective dates are:

INSURER EFFECTIVE DATE

Acceptance Insurance Company (Nebraska) 9/22/95

T.H.E. Insurance Company (Louisiana) 9/22/95

Therefore, please replace the list issued with our Bulletin #720, and use the attached list which represents all those non-admitted insurers approved to date.

Also, please remember:

- the SLA will continue to issue replacement LESLI's as additional insurers are approved;
- Form A filings are not required for insurers listed on LESLI;
- Insurers currently on the Regulation 2174 Listing of Filings may be used for placements until the date of expiration;
- Form A filings are still required for placements made with insurers listed on the Listing of Filings only.

Should you have any questions or concerns, please contact myself, Jim Pugh, Linda Cheng or Ilona Bovee at (415) 434-4900. Thank you.
