**BULLETIN #751**

**PERMANENT REGULATION 2174.1 TO 2174.14  
DEPARTMENT OF INSURANCE "LISTING OF FILINGS" UPDATES**

It is my great pleasure to advise you that this is the last update to the Regulation 2174 Listing of Filings you will receive from the CDI (California Department of Insurance). The eligibility under Regulation 2174 expires as of midnight December 31, 1995, and you may discard the entire Listing if you wish. Beginning in 1996, you only need to refer to one list--the LESLI List (List of Eligible Surplus Line Insurers)--for those carriers approved to write surplus lines business in California.

Below is the disposition of all the remaining carriers that had eligibility only under Regulation 2174:

- I. Between December 26 and 29, 1995, the CDI approved the eligibility of the following carriers under California Insurance Code Section 1765.1 (SB 959) and has added them to the LESLI list (see SLA Bulletin No. 750 for details as well as for the complete LESLI list). Remember, **Form A filings are no longer required** for companies on the LESLI list.

**Alliance General Insurance Company  
Alpine Insurance Company  
Assurances Generales De France - IART  
Compagnie D'Assurances Maritimes Aeriennes Et Terrestres  
Midwest Employers Casualty Company  
Mitsui Marine and Fire Insurance Company, Limited  
Riunione Adriatica Di Sicurtà (R.A.S.)  
The Tokio Marine & Fire Insurance Company, Limited  
Underwriters at Lloyds, London  
Western Alliance Insurance Company**

Starting 1996, the CDI will publish the LESLI list in its entirety at least twice a year (June and December). During the interim, the CDI will issue addenda to the List as companies are added or deleted, and if there are any other related changes. The SLA will continue to provide you with these addenda as issued by the CDI.

- II. The following carriers have either not applied for approval or withdrawn their application under CIC Section 1765.1 (SB 959). These carriers are not eligible for surplus line placements after December 31, 1995 except under CIC Section 1765.1 (k)--GAP Exemption--see SLA Bulletin 672 (dated December 5, 1994) for information on the GAP Exemption provision.
