UNDERWRITERS AT LLOYD'S

Bulletin #750 included the addition of Underwriters at Lloyd's to the List of Eligible Surplus Lines Insurers ("LESLI" List). For further clarification, it should be noted that only those Lloyd's Syndicates that have elected to write United States Situs surplus line business, and who have accordingly established the required trust funds, are eligible to write California surplus lines business. A list of those syndicates is attached.
