BULLETIN #773

UNDERWRITERS AT LLOYD'S

Attached is the updated list of Lloyd's Syndicates based on the July 1996 NAIC Quarterly Listing of Alien Insurers. This list replaces the list attached to Bulletin #765. The list reflects those current syndicates which have committed to the establishment of the required syndicate-specific trust funds for the 1996 account year. (Each year each syndicate must establish the appropriate trust fund.)

We suggest that each California surplus line broker using Underwriters at Lloyd's begin discussions with their Lloyd's broker(s) so that syndicate numbers will be available in the event such numbers are requested in the future by the Department of Insurance.
