BULLETIN TO ALL MEMBERS:

Re: Waiving of Small Additional and Return Premiums

Reference is made to Bulletin No. 79 regarding the above captioned subject.

Since this bulletin was issued, Underwriters at Lloyds have communicated through Mendes & Mount with this office asking that the use of the endorsement mentioned in this bulletin be made mandatory on all members of the Association and not optional as stated in Bulletin No. 79.

A vote has been taken by the Stamping Office and Contact Committee, who have been handling this subject, agreeing to Underwriters' requirements.

Would please ask, therefore, that the members on and after January 1, 1959 place on all certificates issued under California cover business, open market placings and nationwide business effected for a California insured the endorsement referred to.
