**BULLETIN #849**

**RE: MODIFICATIONS TO REGULATION 2174**

We have been notified by the California Department of Insurance ("CDI") that the Office of Administrative Law has approved the proposed modifications to Title 10, California Insurance Code of Regulation 2174.1 – 2174.14. These changes became effective February 24, 1999.

The main modifications are:

- An increase in filing fees for new submissions and annual renewals;
- Elimination of sections superceded by California Insurance Code Section 1765.1;
- Clarification of annual renewal and update filing requirements.

A copy of the CDI's Notice of Fee Increase and the modified Regulation are enclosed. A copy of the regulation in its mark-up form (deletions in strikeout additions underlined) is available on request.

Should you have any questions regarding the Regulation, please contact Carol Fistler at the CDI at (415) 538-4408.
