BULLETIN #952

RE: Year 2002 Filing Requirements for Eligible Surplus Line Insurers in California

To maintain their eligibility and remain on the List of Eligible Surplus Line Insurers (LESLI), non-admitted insurers must continually submit specific information to the California Department of Insurance (CDI).

The California filing requirements are summarized in a Filing Guide published by the CDI as of February 22, 2000. There have been no changes to those requirements in the last two years. Hence, insurers may refer to the same Guide when preparing submissions during 2002 to ensure continued compliance with the California requirements. The Guide is available through the SLA website at www.slacal.org under SLA Bulletin #917. You can also fax (415-434-8505) or email (lcheng@slacal.org) your request to my attention.

Should you have any questions regarding the filing requirements, please call Dale Wiseman at the CDI at (415) 538-4465, or contact me at (415) 434-4900.
