BULLETIN #994

RE: COVERAGE CODE FOR TERRORISM COVERAGE

In an effort to track policies written for terrorism coverage, the California Dept. of Insurance has instructed the SLA to add two new codes to represent that coverage; the code for stand alone terrorism coverage is 998 and the code for special multi-peril with terrorism coverage is 999. The following is a revision of the codes currently listed in the instruction section of the Confidential Report of Placement (SL1) form and Diligent Search Report (SL2) form.

Sincerely,

A handwritten signature in black ink that reads 'Ted Pierce'.
