BULLETIN #1385

Re: Prelicensing Requirements During COVID-19 Pandemic

The California Department of Insurance has issued a notice that it will not be issuing temporary licenses or waiving the legal requirements for applicants to pass a qualifying examination and to submit fingerprints for a criminal background check during the COVID-19 (coronavirus) pandemic. The notice indicates that the CDI does not have statutory authority to do these things.

Additionally, the CDI notice notes the location of facilities for licensing examinations.
