BULLETIN #1397

Re: CDI Issues Pre-Hearing Notice Requesting Proposed Additions, Modifications and Deletions to Export List

California Insurance Commissioner Ricardo Lara has issued a pre-hearing notice requesting proposed additions, modifications or deletions to the Export List. The notice indicates that an Export List hearing is to be scheduled before the end of 2020, though no date has yet been set.

The notice requests that any parties anticipating a recommendation of an addition or deletion to the Export List submit that item to the CDI so that it may be included in the formal hearing notice to be issued in advance of the hearing. Submissions should indicate the name of the risk or coverage proposed for addition to, or deletion from, the Export List. These requests will not be regarded as testimony for the hearing, but will help the CDI prepare the formal hearing notice. There will be a formal period for submitting testimony and written comments, and these details will be provided in the upcoming notice.

To submit proposed additions or deletions to the Export List, please send an e-mail to: ExportListHearing@insurance.ca.gov.
